SEND Information Report September 2025

1. Variety of Special Educational Needs that are provided for at Beccles High School

The SEND Department provides support for pupils across the 4 areas of need as laid out in the SEN Code of Practice 2014 (last updated May 2015):

- Communication and Interaction
- Cognition and Learning
- Social, emotional and mental health difficulties
- Sensory and/or physical needs

Beccles High School and the Cognition and Learning Unit currently has 13% of all students identified with SEND including 2% of students with an EHCP.

Beccles High School mainstream school currently has 18.4% of all students identified with SEND including 7.2% of students with an EHCP.

The Cognition and Learning Unit at Beccles High School has 100% of all students with an EHCP.

	<p><i>Please note our admission to our Specialist Cognition and Learning Unit is via Suffolk Local Authority's Specialist Placements Team and only available to pupils with an EHCP.</i></p>
<p>2. Information about the school's policies for identification and assessment of pupils with SEND</p>	<p>Pupils are identified as having SEND with their needs assessed through:</p> <ul style="list-style-type: none"> • Information passed on from previous schools or other professionals including from health and social care • KS2 data results, baseline assessments and results including Cognitive Ability Test, progress data • Whole school testing (GL Assessment) - CAT4, NGRT, NGST, Dyscalculia screening, Dyslexia screening and PASS. From this, we identify standardised scores below 85 and unpick low scores particularly those not identified by previous school. • Feedback from teaching staff and observations • Referral from for staff. • Pupil Premium indicators • Catch-Up interventions indicators • Referrals from parents • Pupil referrals • SEND interventions not showing impact may also lead to further identification of need • Referrals from parents • Actions from primary/previous school – Graduated Approach • Observations in school to look at High Quality Teaching Provision • Team Around the Child discussions
<p>3a. The school's approach to teaching pupils with SEND</p>	<p><u>Teaching and learning at Beccles High School.</u></p> <p>Our SEND strategy at Beccles High School is 'Every Teacher is a teacher of SEND and every leader is a leader of SEND., underpinning our approach to appropriate and effective adaptive teaching.</p> <p>To support learning in our classrooms and beyond, Beccles has a clear framework of expectations developed by, and shared with, teaching staff.</p> <p>Our systems, processes and supporting documentation are rooted in research, notably – though not exclusively – Rosenshine's 'Principles of Instruction'. Our experience, discussions and research have directly shaped our protocols and documents. Together, they form the backbone of a clear and shared understanding of what 'quality education' is at our school.</p> <p>Essentially, quality education in the classroom is divided into the following stages:</p> <p>Stage 1: Planning (curriculum snake, long term plan, lesson plan)</p>

Beccles High School

Stage 2: Delivery (the Beccles Standard Lesson & the Standard lesson powerpoint template)

Stage 3: Quality Assurance (as evidenced in student books and the QA document completed during lesson observations and Trust learning walks. It mirrors what is expected of lessons as described in the Standard Lesson).

Teaching and Learning at Beccles High School and Supporting SEND learners.

Part of Teacher Standards focuses on a teacher's ability to meet the needs of all learners in the classroom. That doesn't mean 'running three lessons at the same time' – it means ensuring that any barriers that individuals have to learning are taken into consideration and support to overcome them is provided. That can mean sitting students in a particular row so that they can see the board or providing printouts in different colours. It could mean that you check on some students to determine they've understood instruction or ask them more questions to see whether they've really understood what you have just covered in a learning activity.

All staff have a 'blue folder' that you have that contains the SEND Support Plans (SSPs) outlining student SEND needs, an up to date 'blue folder' will form part of school lesson QA.

Provision for SEND pupils within Beccles High School includes:

- High Quality Teaching, with appropriate and effective “scaffolding to support” in place;
- Additional adult support in classrooms where appropriate to form Teaching Teams with Learning Support Assistants
